Will you need a LP tank set? _____ If not, a leak check must be performed which incurs a \$35.00 fee. The use of a company tank requires a minimum annual usage that is based on tank size. We determine the appropriate tank size and maintain the right to switch out an existing tank at anytime. *In addition the company will assess a rental fee of \$60.00 if the minimum annual usage is not meet.*

Do you own the property where tank is being set? _____ your estimated annual usage is: _____
County/Township where tank is to be set: _____/_____

Circle the gas appliances you will use: Furnace Range Hot Water Dryer Space Heater Gas Log

Circle the other heat source you will use: Fireplace Wood Burner Corn Burner Other _____

CREDIT & SALES TERMS

1. Payment for fuel is due upon receipt and past due after 30 days. The slip is your invoice you pay from. Past due invoices are assessed a late fee and will incur a 2% monthly finance charge.
2. The LP tank regulator will be removed when an invoice becomes 45 days past due.
3. Three (3) working days are required to fill an order for fuel or else a fee will be assessed.
4. All propane run-outs require a leak check. A will call customer is assessed a fee for the required service.
5. Budget payments are due by the 20th of each month.
6. After hour service is not available to delinquent, COD accounts.

I agree to the above terms and will be responsible for any collection fees incurred due to my account becoming delinquent. A company employee may come upon my property to deliver fuel, to provide service, or to remove its equipment or product. Cass City Oil & Gas will not be liable if a customer tampers with equipment, example; hook cylinders up to propane tank.
